

§ 7A-318. Determination and disbursement of costs on and after date district court established.

(a) On and after the date that the district court is established in a judicial district, costs in every action, proceeding or other matter pending in the General Court of Justice in that district, shall be assessed as provided in this Article, unless costs have been finally assessed according to prior law. In computing costs as provided in this section, the parties shall be given credit for any fees, costs, and commissions paid in the pending action, proceeding or other matter, before the district court was established in the district, except that no refunds are authorized.

(b) In the administration of estates, costs shall be considered finally assessed according to prior law when they have been assessed at the time of the filing of any inventory, account, or other report. Costs at any filing on or after the date the district court is established in a judicial district shall be assessed as provided in this Article.

(c) When the General Court of Justice fee and the facilities fee are assessed as provided in this Article and credit is given for fees, costs, and commissions paid before the district court was established in the district, the actual amount thereafter received by the clerk shall be remitted to the State for the support of the General Court of Justice.

(d) When costs have been finally assessed according to prior law, but come into the hands of the clerk after the district court is established in the district, funds so received shall be disbursed according to prior law.

(e) Cost funds in the hands of the clerk at the time the district court is established shall be disbursed according to prior law. (1965, c. 310, s. 1; 1967, c. 691, s. 35.)
